# IN DEDICATION TO

For thirty-six years, Mr. Montgomery has made the study of mathematics both interesting and enjoyable. His unique teaching methods have stimulated the minds of students in all grades. None of Mr. Montgom-

ery's students will ever forget his quick wit or understand his ability to call on them when they didn't know the answer. Not only has he been one of the finest math teachers at Burroughs, but he also served as Head of the Math Department for twenty-seven years.

Outside of his role in the classroom, Mr. Montgomery has co-authored seven textbooks and four workbooks and is still an active participant in national and local mathematics organizations. From 1943 until just recently he directed the summer school program at Burroughs. Along with all of this, he found time to coach the "A" soccer team for seventeen years and give students extra help. Both the students and faculty will miss Mr. Montgomery as a teacher and a leader because he has contributed so much to Burroughs.

Since 1947, Mr. Dreher has been a member of the Art Staff at John Burroughs, and for eighteen years he has served as Head of the Painting Department. Many Burroughs students have benefitted from his encourage-

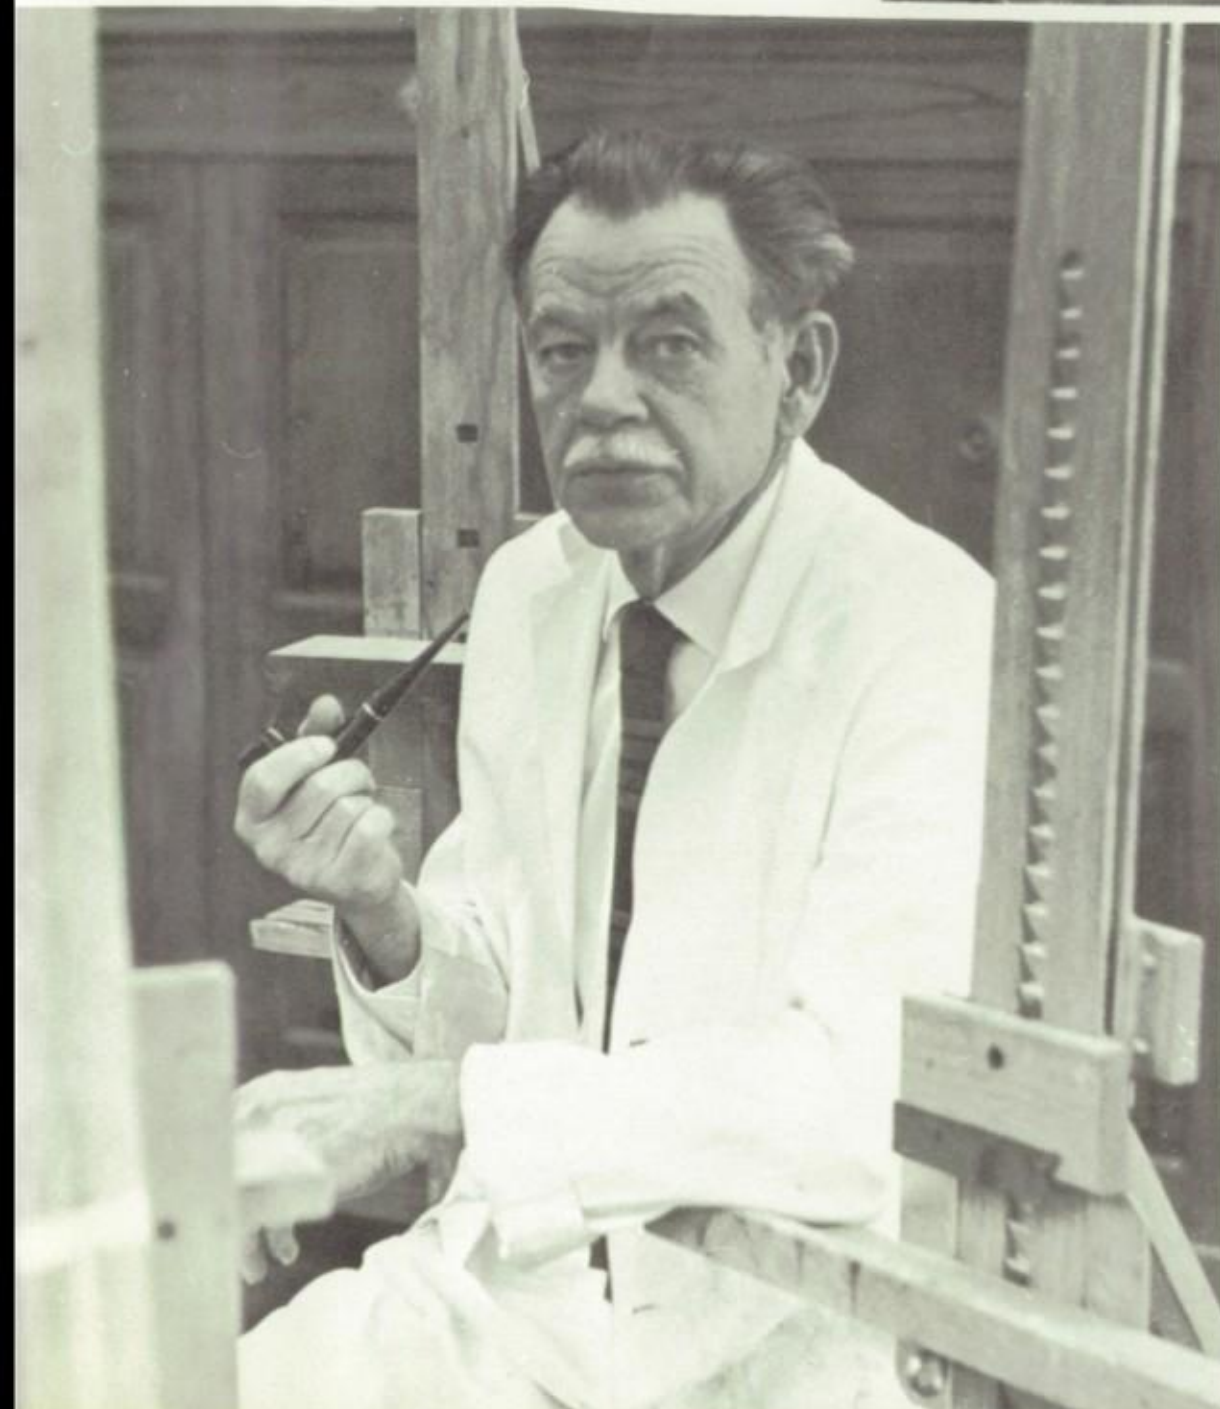

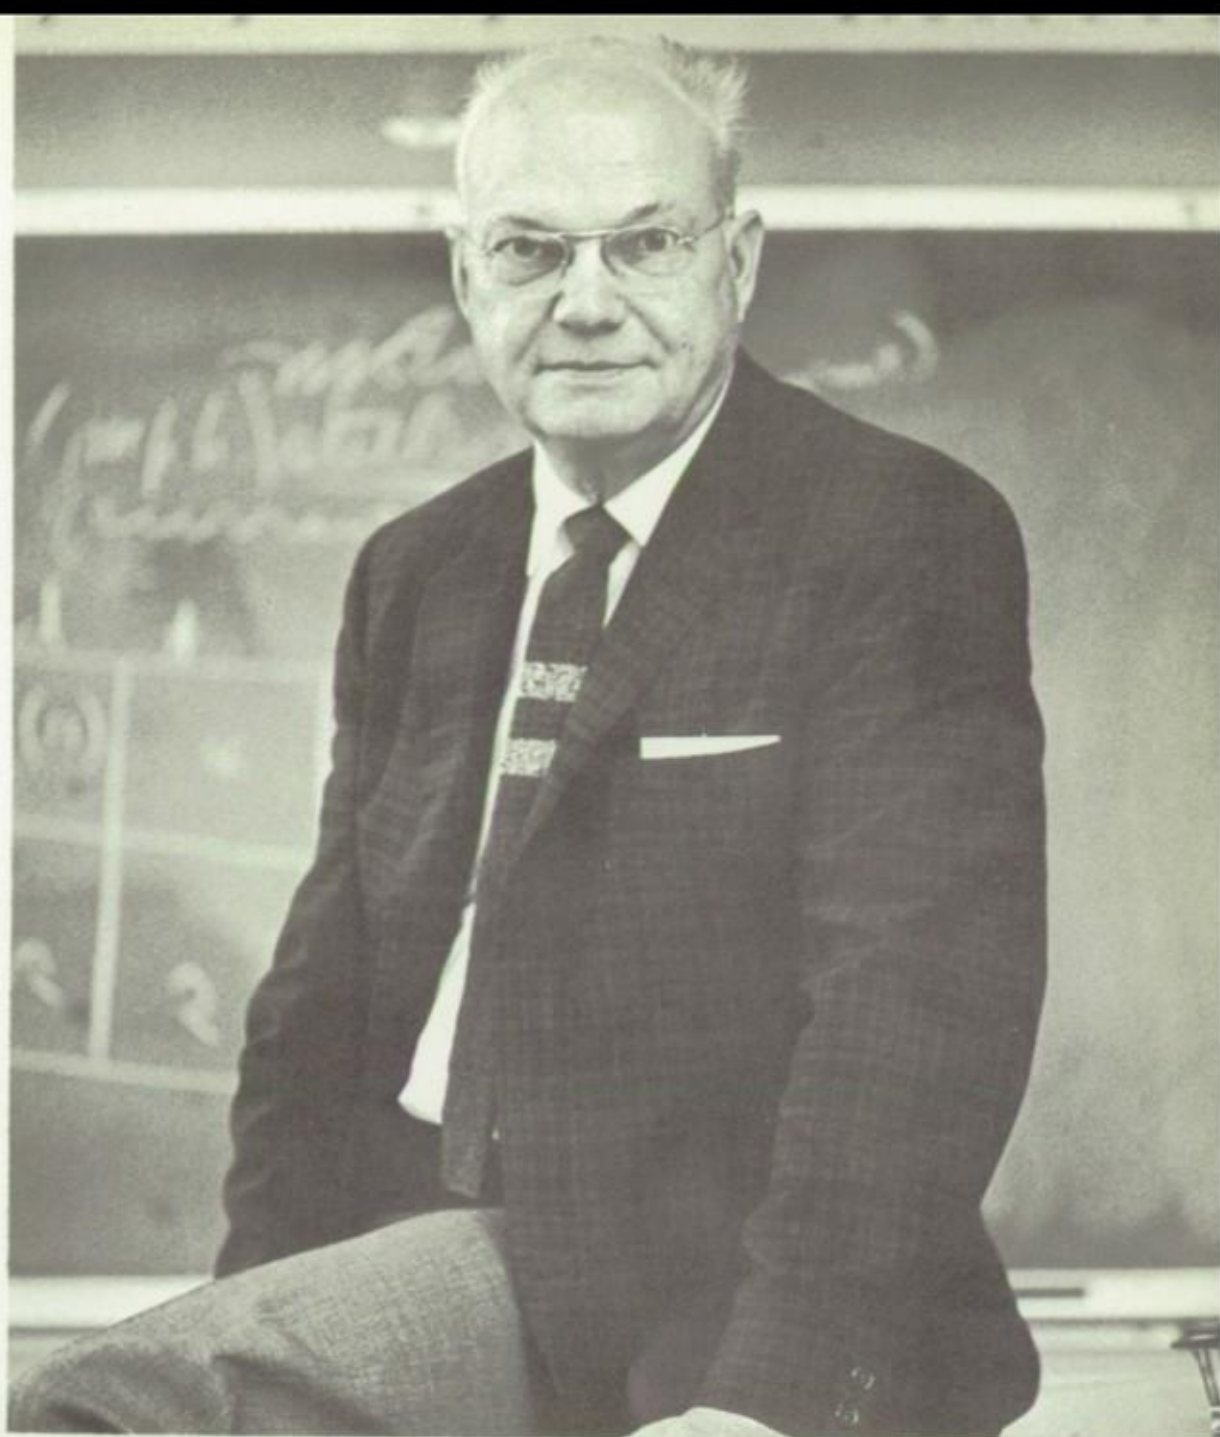

ments and constructive criticisms, and as a result have developed into fine painters. Outside the painting room Mr. Dreher has taught an interesting and stimulating Arts Appreciation course to juniors. Recently, he has also been in charge of the Little Gallery providing new exhibits every five weeks. He makes all arrangements for the exhibits from obtaining the displays to hanging them. Mr. Dreher's talent is evident in the success of the art gallery, and in the students' paintings.

Mr. Dreher's own work has been displayed in many parts of the world including Russia, Canada, and the United States. His sculptures, which have been reproduced in national art magazines, have won for him twenty-two awards, including nine first prizes. He has also received many important commissions and has given numerous lectures throughout the country. Truly, Mr. Dreher is an outstanding man in his field and Burroughs will miss him a great deal.

## Mr. Edward W. Cissel

Mr. Edward Cissel is a warm, friendly person whose optimistic attitude is appreciated by everyone who meets him. His congenial personality and sincere concern for the school create an atmosphere in which the students may express their ideas freely. He is always willing to listen to others and welcomes all suggestions. He not only understands the students but he is also considerate of their views.

During his three years at Burroughs, Mr. Cissel has made many beneficial changes in the school and has also encouraged many successful and helpful organizations. His interest in progressive activities outside the school and his encouragement to participate in them has aroused students' curiosity, making them a part of the community and preparing them well for the future.

Besides having administrative qualities, Mr. Cissel is an important part of other aspects concerning the school. He can be found not only in his office but also visiting classes, on the athletic fields, or talking with students and faculty.

## Letter to the Class of 1970

Every senior class has a special challenge for its last year at Burroughs. I believe the challenge for the Class of 1970 is implementation of the new student constitution. It will take a school year to work out lines of responsibilities and procedures for the coordination of the many student committees. If successfully accomplished, the results would be better organization of the student area of responsibility for the school, closer communication with the faculty and administration, and greater participation of the student body in decision making. I hope the class is successful.

Of course their success depends on leadership, and I have some concern about the effort of the boys of this class. Too few are shouldering the work load. A coeducational school must have boys and girls sharing the duty of running the school. When this letter is read in June, it will be interesting to see the accuracy of my observation.

If a headmaster's letter is to be worthwhile, it should be candid, and it should make the reader, who is the senior, think. With all the talent in this class, how much of it was not used? Quite a few students are making strong contributions to the school and to their peers. Others are frittering away "time and talent." The temptations of our superficial culture have made inroads on the lives of some of you. If you are one, stop and head in a different direction. The lack of discipline in college will make it easier to go down the wrong path. Self-control and self-discipline along with a strong religious conviction will be needed by all of you as you venture to your next stage in the process of education. Good luck.

Edward W. Cissel

## The Christmas Pageant

On December 19th, the Christmas Pageant was presented in the traditionally beautiful manner. The Choruses began the program by marching in, singing "Angels We Have Heard on High." The story of the birth of Christ, retold by the narrators, Linda Leber and Ted Berkinshaw, was punctuated by student responses, chorus songs and Christmas carols. The audience joined in as the seventh grade book boys and girls; Karen Kassabaum, Kelly O'Keefe, Kathy Rainey, Terry Rais-sieur, David Bristow, Peter Hobbler, and David McCarthy, turned the pages of the carol books. The Glee Club, the Junior Chorus, and the Orchestra, under the direction of Mr. Weinrich, provided the largest part of the program with a beautiful and widely varied selection of songs. There was one solo sung by Bruce Anderson in "Our Brother is Born." The Junior and Senior Choruses' also sang, "If You Would Hear the Angels Sing" and the "Hallelujah Chorus" from Handel's "The Messiah." The climax of the pageant came when Beth Browde sang Mary's Lullabye and the lights slowly brightened to reveal Warren Duhme's tableau. Mary and Joseph were portrayed by Julie Austin and Larry Hardy. Senior Peggy Yanow and Sophomore John Heidbreder portrayed the visitor and shepherd respectively. Senior Tom Eames and Juniors Dave Early and Chip Gerfen were the Kings. As the curtains closed and the houselights went up, the Chorus exited singing "Joy to the World."

## “A” Football

### Burroughs 13 — Parkway West 33

The Bombers opened the season with Robby Bearman intercepting a screen pass and Scott Harris sweeping the end for two touchdowns in the first few minutes of the game. But when they sat back to admire themselves, Parkway West, one of the best teams in the district, ran over them.

### Burroughs 13 — Clayton 42

Down from the week before, the Bombers surrendered the game to Clayton's offense. By running right through Burrough's defense, Clayton put themselves out of reach in the first half; then, sat back on their defense the rest of the game. The Holt to Felker combination had improved greatly. The high point of the game was Chip Gerfen's 85-yard kick-off return.

### Burroughs 13 — Principia 8

Burrough's finally showed they could get possession of the ball. Once gotten, the offense held onto it by playing a polished, but cautious game.

### Burroughs 7 — Lutheran North 0

The Bomber's inconsistency was evident in their inability to play in wet weather. The crowds wondered where the preceding game's polished offense had gone. Unable to hang onto the ball, the Bomber's barely snuck by a weak team.

#### Burroughs 14 — Pembroke 40

Though the Bombers demolished Pembroke physically, they were tricked out of a game. God was on Pembroke's side, the refs were on their side, and they had a good quarterback. Besides that, Burroughs had a better team.

#### Burroughs 60 — Western 6

A "rugged, but disorganized" team came down from Alton to rumble with the Bombers, not to play football. After all the backs had been given a chance to score, the senior offense showed great potential. With backs playing the line, and the line playing the backfield, the seniors couldn't get a first down.

#### Burroughs 42 — Lutheran South 14

The high point of the season came when the Bombers marched over, threw through and ran around one of Saint Louis' finest defensive teams. Then the defense stopped South's offense. Alan Holtz held them on defense, while Felker recepted two touchdown passes from Holt. Gerfen and Harris had top days, both scoring two touchdowns.

#### Burroughs 6 — Priory 7

Two equally matched teams battled for this victory. Priory's exceptional acting ability on their extra-point team won the game for them. Burroughs destroyed their offense successfully except for one short period when Priory passed its way over the goal live. The score was tied until the Priory place-kicker prostrated himself to the ref, pleading to let him take the point over. The ref, moved by pity, called off-sides on Burroughs. The actor got the point.

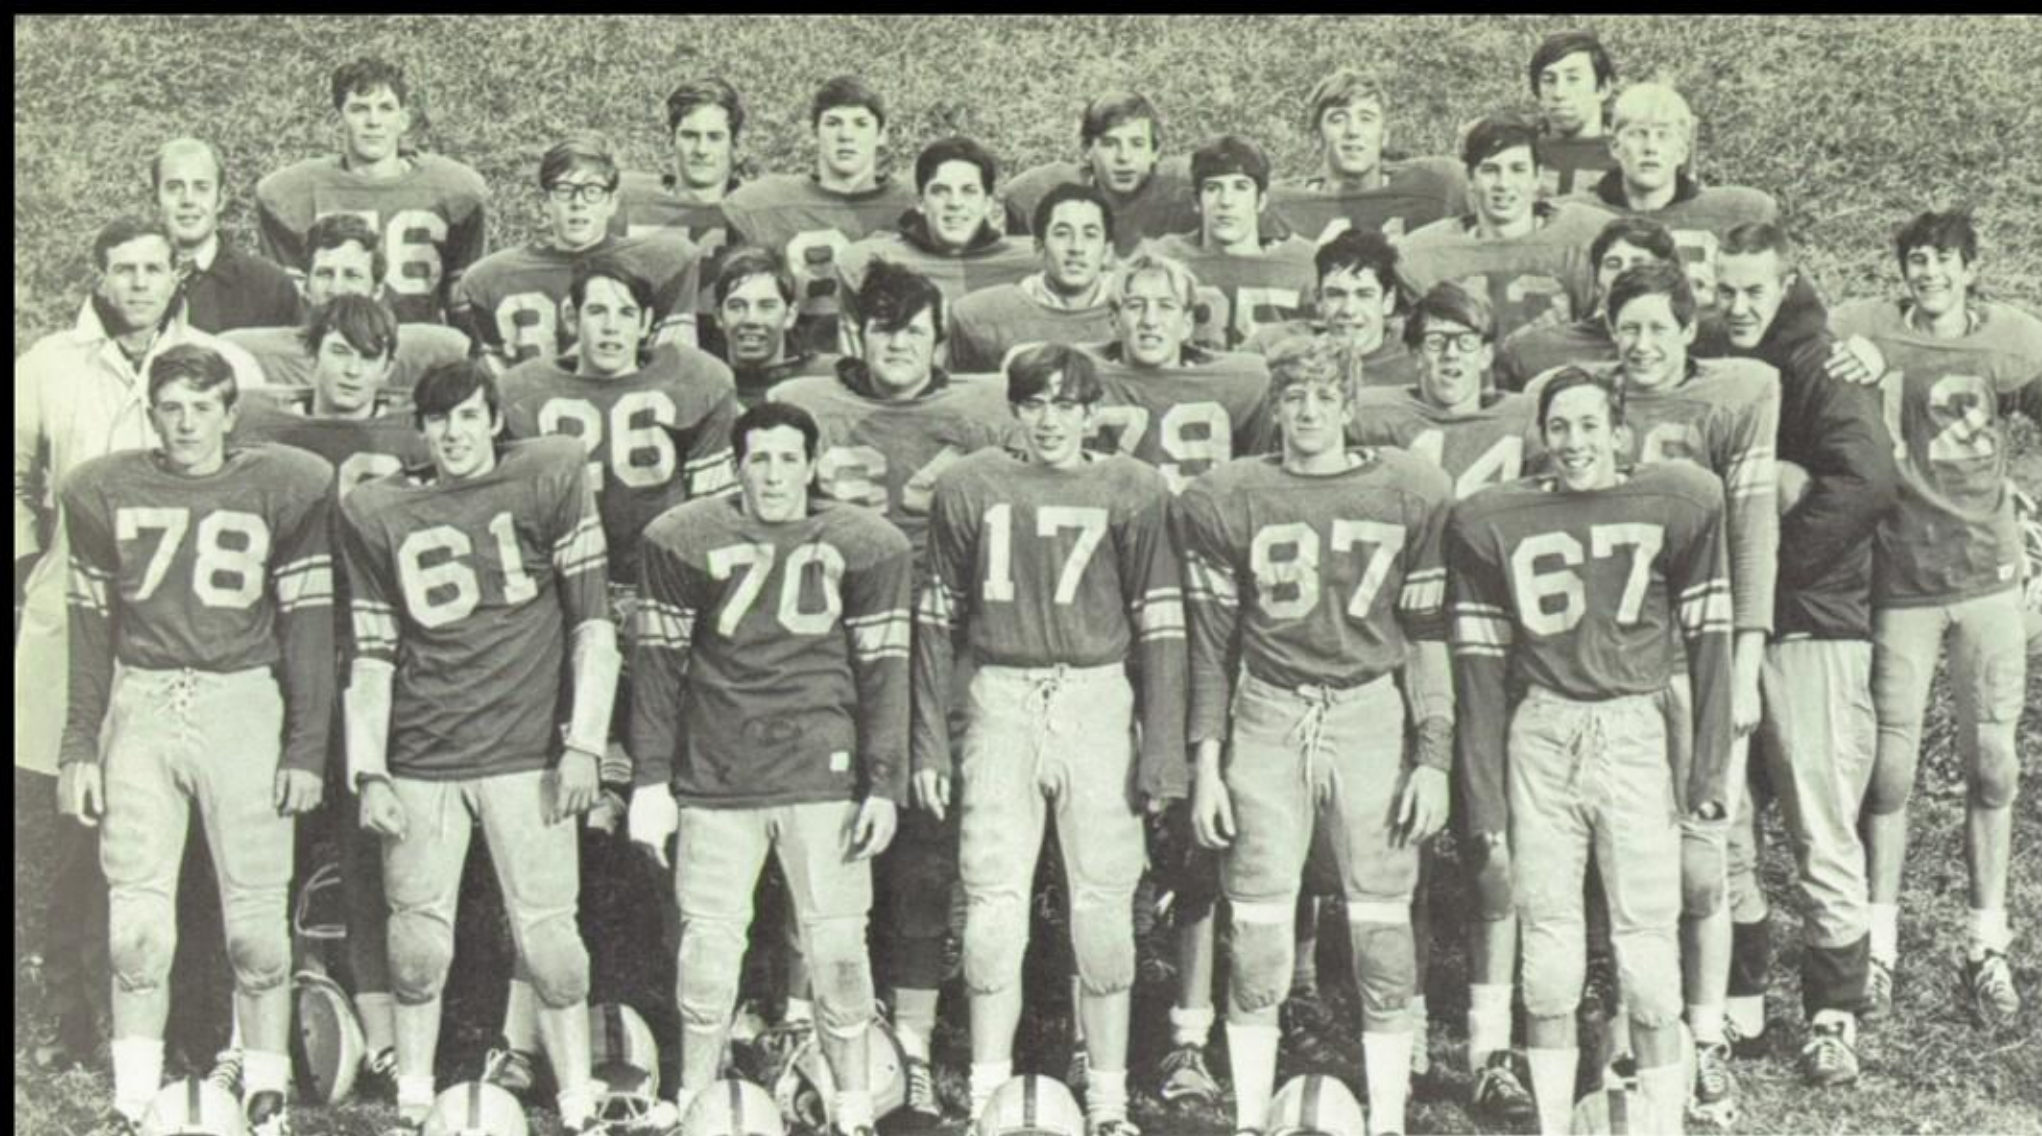

#### Burroughs 6 — Country Day 42

Burroughs knew that Country Day had a great team, but they went out to ruin Codasco's reputation. Country Day was held to 7-0 at the first half. But, they came out at half time to win, and the Bombers came out to congratulate themselves on our first half success. Though Felker caught a touchdown "bomb" from Holt, the game was quickly put out of reach.

FIRST ROW: S. Eames, Schweig, Mosinger, J. Dee, Lord, Goodloe. SECOND ROW: Mr. Schwesig, Pershall, Tichenor, Goforth, Kieffer, Scallet, Higginbotham. THIRD ROW: Stein, R. Williams, D. Anderson, Rassieur, J. Schleiffarth,

## “B” Football

This year's “B” team played fine football throughout the season to finish in a tie for second place in the league.

In the opening game the Bulldogs got off to a lead over Lutheran North in the second quarter as Hullverson hit Smith with a 25 yard touchdown pass. During the thrid quarter the “b” team moved the ball but was unable to score. North received a punt and ran it to the one yard line. On the next play, North scored. With an 8-6 lead and one minute left to play, the Bulldogs made a mistake which lead to a 8-12 defeat. The team did set a pattern in this game however, by gaining more than four-hundred yards while holding the opposition to twenty.

The next four weekends found the team romping over opponents. Smith, Adams, Scallet, Pershall, Dee, and Williams ran for TD's while Boles, Lord, and Scallett scored on pass-plays as we won 34-0 over Lutheran South, 42-16 over Prin, 36-6 over Priory, and 38-0 over Western.

In the final game, C.D.S. proved to be an even match for the squad, as the teams tied 22-22.

The success of this team is a result of the fine coaching of Mr. Stevens and Mr. Schwesig, representation of every class, a fine line led by Scieiffarth, a sturdy defense, and a balanced offense.

## "C" Football — Undefeated

The "C" team finished the season undefeated to clinch the ABC League championship.

Under the guidance of Mr. Heitholt and Mr. Westling, the squad developed an explosive offense and a sturdy defense. Cissel, Wilkins, Miller, Gaebe, and Martin made up a fine backfield while Barksdale, Rubenstein, House, Dunlop and Golden supplied the blocking. The team showed exceptional power averaging 22 points per game while holding opponents to an average of a touchdown per game.

## Cross-Country

This season's Cross-country team ended the year with a fairly respectable record of four wins and three defeats. The dual meet season started with the meet against Chaminade. We were missing three of our top seven runners, but we still managed to coast to a 17-43 victory. Co-captain John Boles won the meet, Junior Jim McKee and Richard Gordon took second and third respectively, while the rest of the team allowed only three Chaminade runners into the top ten. The next meet was against Western, and the Red Raiders onslaught was successfully repelled — McKee took first. The Daisy coach claimed that he had an unbeatable team, but he saw his runners fall, just as Western's had. Codasco did have a surprising number of fine runners, as witnessed by the fact that a Codasco runner took first, even though his team lost. The next team to fall to our Harriers was the Priory squad. Priory had one good runner who took second behind McKee. Larry Hardy took third that day, as Priory fell, 20-41.

By this time, the team had contracted some kind of illness that appeared as a severe nasal congestion. This obviously hampered the team: seeing as we lost the next three meets. Lutheran South came over and trounced us 17-40. Tom Moog had a very good day, as did McKee, on a very dismal day. Eventhough we were sick, we still should have beaten Lutheran North, our next opponent. They beat us 26-31. Prin came next, and on an afternoon that was so cold that our precious analgesic froze, we were trounced 19-42. Boles, Gordon, and Hardy were the only three JBS boys to get into the top ten. The district meet was another disappointment, as only Boles ran credibly, taking 29th. The Hancock invitational was a fiasco, but both the St. Charles and the ABC meet were better. Boles took 12th and the other co-captain Hardy was 14th at St. Charles. In the ABC meet, Boles was 7th, and was declared All-league.

## “A” Basketball

The basketball season of 1969—1970 was a year that brought mishaps due to inexperience and outrageous practice conditions. Throughout the year three of four underclassmen started. Five of the first eight players were underclassmen. This inexperience definitely hurt. The first, second and third place teams in the league started five seniors. All of the out-of-league opponents started either four or five seniors. Perhaps with five semi-experienced players returning, Burroughs will reverse the rolls.

The season was filled with near misses. The team was out of only the games against Lutheran South, Ladue, and Duchesne. But the teams never seemed able to win in the last minutes. Against Principia there was a two point loss, and a five point loss in which the score was tied and Burroughs had the ball with 49 seconds left. Against Priory the score was tied with 1:39 left, but Burroughs lost by 8. In the Western game a deficit of 29 was cut to 3 with 3 minutes left, but the game was lost. Against Jennings a 20 point deficit was cut to 4 with 2 ½ minutes left. Against Clayton the team was losing by six with three minutes left.

Halftime scores also reflect the closeness of many games; 24-25 against Priory in which the final score was 50-66, 24-28 against Lutheran North in which the final score was 52-67; 19-23 against Principia in which the final score was 40-62.

All of these statistics are pertinent. They do not show a team of chokers. They do not show a team capable of only one good half of basketball. They do show a team with potential; a team which is not given a chance to grow or mature. The basketball program at Burroughs is one of the worst in the area. No blame should be placed on the coach. With a proper program, he could produce a winner. The team is given 1 ½ hours of practice per day. They are not allowed on the floor until 4:30. Other schools practice 2 ½ hours with added time for shooting. The Burroughs gym is open far less than 4 months for basketball practice. A player is not allowed to use the gym in the spring, summer, or early fall. Other schools allow their players full year use of the basketball facilities. By the time a boy has completed the eighth grade he has had 12 weeks of basketball. A boy is forced to participate in a sport other than basketball, and also in a physical education program. Any individual basketball practice must be done after these requirements are filled. Until basketball is given any chance at Burroughs, records of 3-17, 3-16, 5-14, 6-13, will continue. A player cannot be told, "Basketball is practiced only during basketball season." He cannot be told "Six days of basketball a week is enough, isn't it?" A player cannot be thrown out of the gym, either in the season, or during the off-season. A program for the 7th and 8th graders must be set up, in which they may learn more than that basketball is a game in which the team with the highest score wins. Until a program that is comparable with other schools such as Lutheran South and Priory is set up, Burroughs will continue to have a losing basketball team.

## “B” Basketball

The 1969—1970 “B” basketball team coached by Mr. Schwesig amassed a 7-11 record. This record is deceiving however because the Bulldogs were close in all but four games, and four times were edged out in final minutes. The boys were never in the game against undefeated Principia and another loss occurred when they played the strong team from Jennings. In addition to dual victories against Country Day, Western and Chaminade; the Bulldogs sparkled as they downed Lutheran North (who had a 17-3 record) and an equally tough team from Priory. In the Lutheran North game, Read Boles scored 31 points to pace the Bulldogs.

Boles also led the over-all season scoring with 269 points, a 14.7 average. Bob Scallet, team leader and floor general, pumped in a total of 147. Great improvement was shown by freshmen Larry Smith and John Cissel. Chris Brown, Leo Schmid (the third and fourth leading scorers) and Stark Holekamp did fine jobs rounding out the starting five.

## "C" Basketball

Statistics show that the J.B.S. "C" Basketball team had a very bad season. The team lacked depth and team unity but the redeeming factor was that on an individual basis, a lot of experience was gained as the season progressed and the boys learned more about the fundamentals of basketball. Because of this, everyone can look for some improvement as the boys move up to "B" team. They had a season record of 2 and 12.

## “A” Soccer

Winter soccer is a frigid game and if it is not played on a field of ankle deep mud or snow, then the field resembles deeply rutted concrete. When an athlete signs his name under “Soccer” at a frolic — some organization meeting, he realizes that he is either insensitive to the cold — or he does not know what he is getting into.

This year’s team had a group of about twenty-seven (give or take about ten) of this rare breed of Homo sapiens, who use their feet to knock around a strip of leather containing air. Their final record was 5-6-6; not bad for a team that did not stop laughing even during pre-game prayer meetings.

Everyone on the team contributed something to make the cold more bearable. To compile victories, John Heidbreder, Robby Bearman, Craig Sullivan, Clark Sisk, Jeff Dryer, and Dave Paletta were on the front line. To prevent defeats, the defense was exceptionally “on their cleats”. Defensemen Kelly Robinson, Steve Felker, Louis Hoerr, and Kris Baumgartner were chosen All-ABC League. George Olmstead backed up Robinson, a fantastic goalkeeper. The middle of the field was “controlled” by halfbacks Chip Gerfen, Peter Hickey and John Sprague. “Fun” was supplied by Tim Barksdale, David Winfield and Mike Shobe. Curiosity arouasers were John Moscowitz, who vanished early in the season, and Charlie Peltason, who contracted many mortal but undetectable deseases. Special thanks go to Coach Parker for creating an atmosphere conducive to “fun” soccer.

## “B” Soccer

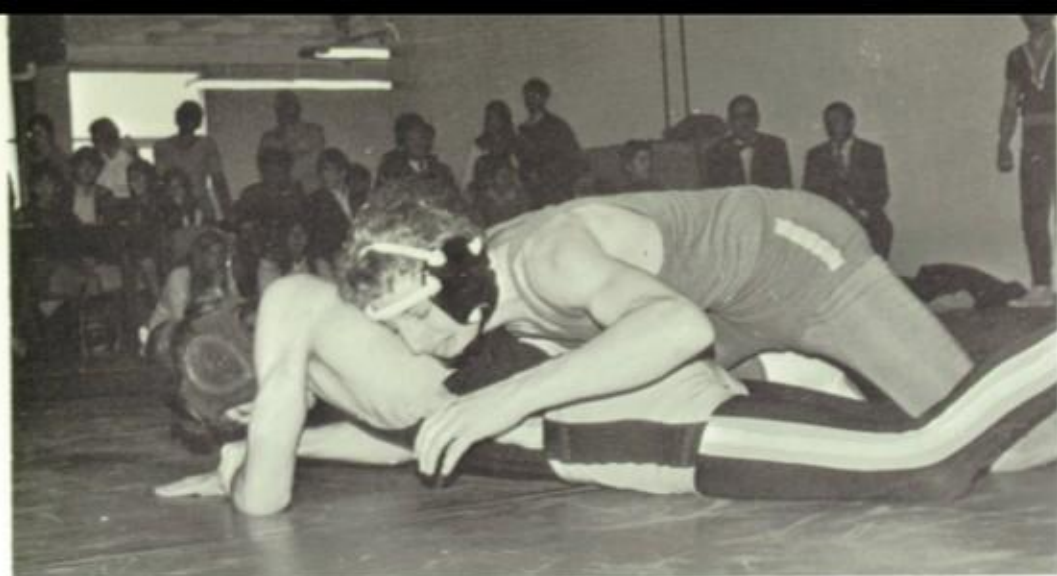

Once again the “B” soccer team failed to produce a winning season. The reason was not the coaching. As in past years, the coaching of Mr. Ray Beckman was excellent. Attributing to the failure was the lack of aggression and the lack of good passwork. Most teams literally ran Burroughs off the field. Poor passwork allowed the opponents to keep the ball for a good part of the games. Despite the all too frequent errors, the players had fun and, at the same time learned a little more about the game. Early in the season, J.B.S. defeated Lutheran North by the score of 1-0. From then on defeats were common. The next wins were over Western Military, 2-1 and 4-0. During the latter game, a fight broke out causing players from both teams to be evicted from the game. The last game of the season ended in a tie with Priory 1-1. Scorers for the team were Jeff Elzemeyer, Mark Haimann, Dan Shifrin and Mike Drennan. The starters were wings Edison and Wessler, inners Joe Dreyer and Nat Osborn, center forward Dan Shifrin or Haimann, halfbacks Scott Eames, Elzemeyer and McDougal, fullbacks Randy Williams and Kent Higginbotham or Ted Samuels, and goalie Trip Dessert.

## Wrestling

For the new look wrestling team with a bulging squad of 30 or more grapplers, the '69-'70 season was a building year with 7 out of 12 weights filled by first year men. With two 2 and two 3 year men returning the loss of the one 4 year man is a light one to the team.

The Varsity had a 3-6 overall record and was 2-2 in the league. The "J.V." and Freshman teams had a combined 5-4 record. Not shown in this record are the close meets, that on many occasions were only one match difference. The average team score was J.B.S.-22 and Opponent-23. Co-Captains John "Gy" Lord and Steve Dassler along with the rest of the squad would like to thank coaches Koprivica and Maher for their patience and guidance.

The usual line ups were; at 98 Jeff Ballinger (17,5), 107 Jack Mossinger (14,2), 115 Jon Gaebe (2,6), or Gary Behrens (0-2-1), 123 Punk Wiegand (6,8), 130 Craig Wilkins (3,8), 137 Sam Dunlop (2,10), 145 John "Candy Bar" Golden (3-8-1), 155 Earl Holt (6-6-1), 165 Steve Dassler (17,3), 175 Dave Early (7,7), 185 Terry Schnuck (2,6), while new comer in the "unlimited" weight class, Alan Holtz, had a (5,5) record.

In Post Season meets several J.B.S. wrestlers did well. In Districts, Jack Mossinger took second at 107, Punk Wiegand captured fourth place at 123 and Steve Dassler won the 165 division. Dass then advanced to regionals where he took fourth place. In the A.B.C. meet, Ballinger, Early, and Holtz took second while Jack Mossinger took first at 107 and Steve Dassler won 165. Although the Squad will lose Lord, Dassler, and Holtz, the '70-'71 team should be one of the strongest around-right Coach?!

## "A" Baseball

FIRST ROW: Steiner, Biggs, Spitzer, A. Kerckhoff, Moser, McCall, B. Schleiffarth, Smith. SECOND ROW: Mr. McConnell, Holt, Olmsted, Jeff Dreyer, Felker, S. Dassler, Scott, Robinson, Mr. Vallat.

The 1969 "A" baseball team experienced a disappointing 6-11 overall season with a 6-6 league log. With the team's talent and experience, they should never have had this record.

At third base was Ron Moser, a third year man and an All-A.B.C. pick; at shortstop Steve Felker showed his grace and poise while Tom Spitzer held down second base. Bob Biggs, in his third year, played first base while Kelly Robinson and Jim Steiner, who were both chosen All-A.B.C., alternated pitching and catching. Out in the pastures many faces were seen — led by another three year man, Bob Schleiffarth, who was an All-A.B.C. League centerfielder. Hitting was one of the bigger problems for Burroughs this year, but one couldn't tell it though, when against Codasco all the Bombers collected hits and won 12-1. Oddly enough, one of the best games the boys played was at Lutheran North where, after five innings, Steiner had a one-hitter with a 3-1 lead. Then Spitzer relieved, only to give up seven runs and lose 8-3.

With the returning lettermen and prospects from the "B" team, next year's "A" team should be successful.

## “B” And “C” Baseball

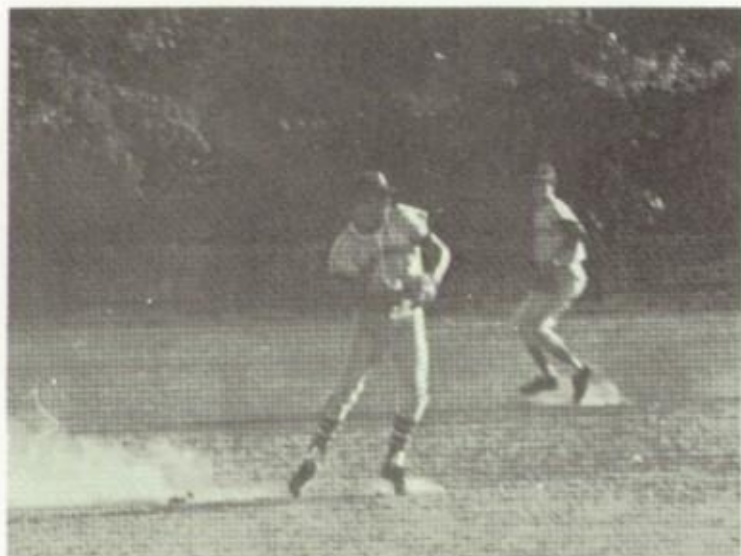

This years "B" team tied for second place in the league. The infield was composed of Bill Moore on first base, Lord at second, Artie Shanfeld at shortstop, and Heitholt on third. Dave Early took care of left field with Cal East in center and Rider in right. Mark Vibert was behind the plate while Heitholt and Hullverson shared the pitching duties.

The team had good hitting and pitching but too many defensive errors. With more experience these boys should develop into a fine team.

The "C" baseball team did not achieve much success on the diamond this year. As a result of defensive errors and a lack of hitting and pitching, the squad came up with only two victories, both of them against Western. Led by Boles, Lay, and Ansehl, the players did show that what was really needed was more experience on the playing field.

## “A” Tennis

Burroughs country club boys tried once again to swing their way through their season victoriously. They discovered that Country Day has either more or better swingers.

Some noteworthy players are Kris Baumgartner, Jack Averill, and Alex Schmid in singles; Jim Lewis, John Willand, Steve Wessler, Bill Bishop, and Bob Scallet played the doubles. Even though a player or two had run-ins with the law (their coaches would not let them take their shirts off during practice and other significant limitations), the team held together well to compile an 11-8 overall record and a 9-3 league record.

## “B” Tennis

The “B” netmen from John Burroughs finished up with another fine record under the expert tutelage of Tom Yager. The Bulldogs finished with a 12-2 record and a tie for first place in the ABC League.

The “B” tennis team’s only losses were to a strong Country Day team and a surprising Principia team, both by 3-2. They shrugged off these losses to beat both teams the second time that they met, and finished off the season in fine style with Sophomore, John Dee, first singles going undefeated. Quint Drennan, at second singles only lost twice, both close matches, and won the others on the strength of his stinging serve. The singles spot was contested all season long between two Freshmen, Dave McDougal and Tom Aronson. Both of these youngsters overcame their lack of experience, to compile fine records for the team. The first doubles team consisted of Louis Hoerr and either Aronson or McDougal. Their first doubles team was one of the finest doubles teams Coach Yager has ever coached and helped turn the tide in many matches and remove much of the load from the singles players. The second doubles team usually consisted of Junior, Bob Woodward, and John “Half Tooth” Sprague. Lee Abraham replaced one of these two occasionally and turned in several sterling performances, notably, in the famous “45 minute match” against Western.

The “B” team had such a successful season mainly due to the great depth and spirit of the team. With their great depth and spirit added to the “Championship” touch of Tom Yager, a team cannot lose.

FIRST ROW: Sprague, B. Reed, Woodward, Q. Drennan, Abraham, T. Schnuck, Mr. Yager, J. Dee, McDougal, Haiman, Hoerr, Holden, P. Keller, M. Reed, J. Wright, A. Goldberg.

## Golf

The 1969 Varsity Golf Team, under Coach Witscher, had a very successful year with a 12-0 record. After winning all of their dual meets they went on to capture the St. Louis District Championship. Last May competing with 25 other teams seniors Alan Goldberg, Jamie Patton, Beau Jackson, Geoff Simril, junior Tom Benson and freshman Phil Rahn, brought back three trophies and nine medals. The team set a new state Qualifying Record, 281 strokes, 18 below the previous one. With great hopes and enthusiasm the Seniors went to Columbia, Mo. for the State Championship, placing Fifth.

FIRST ROW: Brereton, H. Barksdale, Moog, Morgan, Gardner, Gerfen, Bearman, S. Harris, Heidbreder, T. Barksdale, Goodloe. SECOND ROW: Kishlar, Willcockson, Myles, B. Eldredge, Hickey, McKee, Sullivan, J. Keydel, Weir, T.

Eames, Perry. THIRD ROW: Mr. Noe, Mr. Leiweke, L. McMahon, R. Paine, Hardy, J. Boles, de Riel, T. Wilkinson, Berkinshaw, Fort, M. Weigand, T. Symington, Mr. Maher.

## Track

The 1969 track team again had a brilliant season. The team ended with a formidable 4-2 record due to the dedicated coaching of Mr. Maher and Mr. Noe, and the fine team effort.

On a rainy afternoon on the Codashco track, the team walloped the Daisies 84-83, taking 11 of 15 events. At the Clayton Invitational (shafted once again) excellent performances were turned in by Larry McMahon in the mile and 880, and by the 880 relay team of Scott Harris, Jim Kishlar, Robby Bearman, and Chip Gerfen.

Burroughs hosted the Class M Districts, finishing third behind powerhouses Principia and Brentwood. Larry McMahon qualified for state in the 880 and the mile, Jim Kishlar qualified in the 100 and 220, and the relay team of Harris, Kishlar, Bearman and Gerfen also qualified.

On the historic trip to the Columbia State Meet in early May, the trackers' bad luck started on the Putt-Putt course the night before the meet. Awakening to small craft warnings and torrential rains, the sprinters were thwarted in their efforts. However, McMahon secured first place in the mile. The 880 relay team took second, as they had done the year before. With "Marshmallow Pies" in hand, the Burroughs delegates returned to join their teammates in facing the newly crowned State Champion Principia team in the A.B.C. Medals Meet. Burroughs took second; McMahon took first in the mile and 880, Jim Kishlar won the 100, and the relay team of Harris, Gerfen, Kishlar and Stan Gardner placed first also.

The 1969 season was a successful one highlighted by many excellent individual performances. Larry McMahon completed his high school career as State Champion miler, establishing a new Burroughs record of 4:24.8. Stan Gardner's fine hurdling and long jumping capabilities contributed greatly to the fine dual meet record. An excellent group of sprinters led by Kishlar and Gerfen consistently placed in the 100 and 220. With Scott Harris coming on strong at the end of the season and with the talents of Robby Bearman, the 880 relay team was defeated only when it placed second at Columbia.

Hurdlers Tom Eames and Jeff Morgan, fieldmen Alan Holtz, Ted Berkinshaw, Tom Wilkinson and long distance men John Boles, Jim McKee, Larry Hardy and Dick Gordon added much needed balance to the team's attack.

With an extremely strong group of returning members and with the addition of the promising freshman class, visions of a fine season are in store.

“Strong  
Everywhere”

Not since the “B” team of 1966 has J.B.S. had an undefeated hockey team. This year, thirteen girls, including four from the 1966 squad, achieved a fantastic 7-0-1 record. The team included eight seniors, three juniors, and one sophomore. With the loss of the eight seniors next year, all of whom were starters, Coach Dale Mara said, “It will take another three years to organize another winning team.”

The offence was strong, fooling their opponents with quick passes, controlled dribbles, and strong drives. Most of the points were scored by Alice Walz and Christy Lee, each scored 10 points. Jean Rosenheim, Carol Wolfheim, and Betsy Flitcraft also scored, making the total 24 goals in eight games. In the Principia, St. Charles Sacred Heart, and the Lutheran North games, the forwards dominated the ball. The defense played equally well, and in many games, the ball did not go past our 25 yard line. Credit must be given to co-cap-

tains, Mary Cissel and Barb Shapleigh for their superb teamwork and leadership. The goalie, Liz Ullman, known for her one-legged stops which often end the splits, allowed only 3 goals in eight games. Most of the time she catnapped, a reflection on the skill of the entire defense.

Surely the exciting Faculty — Varsity game deserves a word. The Varsity definitely outclassed the Faculty, confusing the unskilled foes with fancy stickwork and team play. Alas, by some quirk of fate the game ended in a 1-1 tie. Some faculty do deserve recognition though: Mr. McConnell, who left his shovel at home, Mr. Parker, for staying in his position, Mr. Heitholt, for his one-handed play, and Mr. Whelan, for his goal-keeping.

The entire Varsity thanks Miss Mara and Miss Bluhm for their coaching talents and the departing seniors wish next years squad good luck.

## “B” Hockey Varsity

This past season, the “B” hockey varsity ended with a fine record, winning all but two of their games.

Under the leadership of Jane Cunliff and Julie Austin, the team, which consisted of six seniors, six juniors, two sophomores, and two freshman, proved to be one which was quite successful. The team went in undefeated to play Mary Institute, but due to lack of unity, Mary I. managed to score four goals against us. The last game, which was against Villa, was another unfortunate defeat.

We all want to thank Mrs. Medearis and Miss Bluhm for doing such a fine job of coaching this season and without this great inspiration, the team could not have been as successful.

# J.B.S — C.D.S. Bonfire And Game

A black and white photograph of a person's head in profile, resting on a textured surface. The head is positioned on the left side of the frame, with the back of the head and neck visible. The surface appears to be a rough, textured material, possibly a wall or a piece of fabric. The lighting is soft, creating a gentle shadow on the surface.

**We just can't help it  
if we spoil you  
for Banking  
anywhere else**

To be perfectly honest we planned it that way. That's why we treat you as the most important person in the world — which you are — everytime you come in . . . and why we devised the EASY MATH PLAN for personal checking accounts so you can figure your own monthly service charges . . . and why we have our parking lots so convenient

to the Bank entrance . . . and our Drive-up Windows so easy to reach . . . And the many, many other services which are exclusively our own. They're all part of our plan to win your permanent good will so that once you start banking with us you just won't be satisfied to bank anywhere else — and that'll make both of us happier.

# *One Day,*

we'll be governed  
by people your age!

Look around you. In 20 years some of the faces you see now may be recognized by millions. When that day comes, you and your classmates will be making many of the important decisions in industry . . . . in our school systems . . . . space program . . . . government.

Seems incredible that it could happen in such a short time, doesn't it? But you'll be ready. Because between now and then you'll get a lot of practice handling new responsibilities. College. Career. Marriage. Children. A hundred varieties of financial responsibilities.

If you haven't already, drop by for just a few minutes. Let us show you what we can do for young people like yourself. It's never too early to have your own bank.

Sincerely yours,

**How David  
handles a  
Goliath  
account:**

Hot, creative advertising shops, like ours, are proving that large corporations don't always need the expensive superstructure of large advertising agencies to sell their products. That's a bold statement. But it's true. It's happening all over the country! After all, a smaller agency functions precisely the same as an account group of a large agency. Besides, our tailor-made agency compensation plan will save you money—allowing you to gain additional exposure for the same advertising dollars. You owe it to yourself, and your stockholders, to investigate the benefits of a hot, hard-working, 28-hour-a-day agency like Stolz. Call "David" today, we've got our slingshot ready.
